

In the Claims:

Please amend the claims as follows:

1-63. (Withdrawn)

64. (Currently Amended) A hair removal device comprising:
a substantially planar substrate; and
at least 10 micro-blades connected to said substrate.

65. (Original) A hair removal device according to claim 64 comprising
at least about 50 of said micro-blades.

66. (Original) A hair removal device according to claim 64 comprising
at least about 100 of said micro-blades.

67. (Original) A hair removal device according to claim 64 comprising
at least about 200 of said micro-blades.

68. (Original) A hair removal device according to claim 64 comprising
at least about 500 of said micro-blades.

69. (Original) A hair removal device according to claim 64 comprising
at least about 1000 of said micro-blades.

70-84. (Withdrawn)

85. (Original) A hair removal device according to claim 64 wherein
said blades are each mounted on separate blade supports.

86. (Original) A hair removal device according to claim 64 wherein
said blades are arranged in ordered columns and rows on said substrate.

B1 87. (Original) A hair removal device according to claim 64 wherein said blades are arranged in staggered columns and rows on said substrate.

88-115. (Withdrawn)
